

SAFEonNET™ Subscription terms and conditions

1. Acceptance of the subscription terms and conditions

1.1 By submitting this order, the Client consents to SAFEonNET™'s subscription terms and conditions. These terms and conditions apply between SAFEonNET™ (hereafter the Service Provider) and the Client (hereafter the Client) until the subscription is terminated.

2. Duration and termination of the subscription

2.1 The subscription is valid one year from the date of commencement provided that the first payment has been made.

2.2 If neither the Service Provider nor the Client terminates the subscription within the first year, the subscription will be renewed automatically and be valid for one more year. The subscription may be terminated by the Client with 30 days' notice, effective as of the new payment due date.

2.3 The Client is entitled to cancel the subscription anytime within the first 14 days from the date of purchase.

3. Prices

3.1 The discount of 30% off is an introductory offer and only applies to the first year of the subscription. If the Client renews the subscription, the price for the second year, third year etc. will be the full price and thus without a discount.

3.2 The introductory offer can only be used once per Client, and the Client will be billed the full price for the subscription if he or she has previously made use of the offer.

4. Terms of payment

4.1 The first payment is due upon commencement of the subscription.

4.2 Unless a special arrangement has been agreed upon by the Client and SAFEonNET™, SAFEonNET™ expects payment to be made on the due date (terms of payment: 8 days).

4.3 If timely payment is not provided, the subscription is invalid from the commencement date and until the date on which payment is received. SAFEonNET™ reserves the right to refuse late payment and nullify the subscription.

4.4 If payment is not provided on the agreed upon date, SAFEonNET™ will send a reminder informing the Client that the subscription will be terminated if payment is not provided within 10 days. SAFEonNET™ reserves the right to charge reminder fees. Demands for payment and reminders will be sent to the Client's e-mail address. If the Client changes e-mail address, the Client is obligated to inform SAFEonNET™ at the earliest convenience.
